

TUBERCULOSIS (TB) TESTING

PPD Test (Skin Test)

PLEASE NOTE: TB TESTING IS A TWO-STEP PROCESS.

PPD tests will only be administered if the client is able to return to have the test read (evaluated) **no sooner** than 48 hours (two days) after the test and **no later** than 72 hours (three days) after the test. Please keep the 48-72 hour requirement in mind when scheduling a PPD. PPD tests will only be read if Central District Health Department has administered it. For costs and appointments call the Immunization Clinic at 327-7450. CDHD's Main Office in Boise offers TB testing Monday, Tuesday and Friday.
